3.13 Documents establishing service conformity to bidding document

3.13.1 The bidder shall furnish, as part of its bid, documents establishing the conformity to the bidding documents of all service and services which the bidder proposes to supply under the contract.

3.14 Bank Security Deposit

3.14.1 The Successful bidder's security will be discharged upon the bidder's acceptance of the award of CONTRACT SATISFACTORILY and furnishing the performance security.

3.14.2 The Bank security deposit is required to protect the BNCC against risk of bidder's conduct which would warrant the security's forfeiture.

3.14.3 The security shall be in Indian Rupees and shall be as under.

The supplier/contractor can pay the Earnest Money Deposit (EMD) in the KPP portal using any of the following payment modes:

- Credit Card
- Direct Debit
- National Electronic Fund Transfer (NEFT)
- Over the Counter (OTC)

OTC payment procedure

If a contractor/ supplier chooses to make payment of EMD/ bid processing fees Over The Counter (OTC) in any of the designated ICICI Bank branches listed in the KPPP web-site (https://kppp.karnataka.gov.in/#/portal/portal-home), the contractor/supplier will need to log into e-Procurement system, access the bid for which bid is being created and then select the OTC option under the payment section and print the Challan shown in that section. The printed challan will have the unique bid reference number and the amount to be remitted. Along with the challan, contractor can choose to make the payment either in the form of cash or in the form of Demand Draft. Cheque payments will not be accepted. The supplier is requested to specifically inform the bank officer to input the unique bid reference number printed in the challan in the banking software. Upon successful receipt of the payment, the bank will provide a 16-digit reference number acknowledging the receipt of payment. This 16-digit reference number has to be inputted by contractor in the payment section of its bid as payment confirmation before the bid is submitted (i.e.) as a pre-requisite for bid submission.

NEFT payment procedure

If a contractor/service Provider chooses to make payment of EMD/bid processing fees using Reserve Bank of India's (RBI) National Electronic Fund Transfer (NEFT) system, the contractor/supplier will need to log into e-Procurement system, access the bid for which bid is being created and then select the NEFT option under the payment section and print the Challan shown in that section. The printed challan will have the unique bid reference number, account details of Government of Karnataka and the amount to be remitted. The contractor has to submit the printed challan to its bank-branch (NEFT-enabled) and request for an account-to-account transfer, wherein the money will get transferred from the contractors' bank account to GoK's bank account. The contractor should ensure that NEFT transfer instructions are executed and the funds are wired to the Government of Karnataka's principal account before the last date for bid submission and preferably 24 hours before the last date for bid submission. If the contractor's bank Transfers/wires the money after the last date for bid submission, the contractor's bid will be liable for rejection. Upon executing the transfer, the contractor's bank will provide a reference number generated by NEFT software as confirmation of transfer, which has to be inputted by contractor in the payment section of its bid as payment confirmation before the bid is submitted (i.e.) as a pre-requisite

for bid submission. Also, the account number from which the funds were transferred has to be inputted in the e-Procurement system as part of its bid.

The supplier bid will be evaluated only on confirmation of receipt of the payment (EMD) in the Government of Karnataka central pooling a/c held at Axis Bank

EMD amount will have to be submitted by the supplier taking into account the following conditions:

a. EMD will be accepted only in the form of electronic cash (and not through Demand Draft or Bank Guarantee) and will be maintained in the Govt.'s central pooling account at ICICI Bank until the contract is closed.
b. The entire EMD amount for a particular bid has to be paid in a single transaction

For details on e-Payment services refer to https://kppp.karnataka.gov.in/#/portal/portal-home for more details on the process.

Any bid not secured in accordance with Terms and conditions above will be rejected by the BNCC as non-responsive.

3.15 The successful bidder's bid security deposit will be discharged upon the bidders signing the contract.

3.16 The bid security deposit may be forfeited;

(a) If a bidder withdraws its bid during the period of bid validity of the bid.
(b) In case of successful bidder, if the bidder fails;
  i) To sign the contract.
  ii) To furnish performance security.
  iii) A bid not secured in accordance with tender requirements shall be rejected by the BNCC as non-responsive at the bid opening stage.
  iv) The bid security of unsuccessful bidder will be discharged / returned as early as possible as but not later than 30 days after the expiry of the period of bid validity.

3.17 Format and Signing of Bid

Bidder shall submit the Bid electronically before the submission date and time published in e-procurement portal.

SUBMISSION OF BIDS

3.18 Sealing and Marking of Bids

Bidder shall submit the Bid electronically before the submission date and time published.

3.19 Deadline for submission of bids

3.19.1 Bids must be submitted on-line in the e-Procurement portal before the notified date and time.

3.19.2 The BNCC may extend the deadline for submission of bids by issuing an amendment, which in case all rights and obligations of the BNCC and the Bidders previously subject to the original deadline will then be subject to the new deadline.

3.20 Late Bids

3.20.1 In online e-procurement system, Bidder shall not be able to submit the bid after the bid submission time and date as the icon or the task in the e-procurement portal will not be available.

3.21 Modification and Withdrawal of Bids

3.21.1 Bidder has all the time to modify and correct or upload any relevant document in the portal till Bid submission date and time, as published in the e-procurement portal.

3.21.2 The Bidder may withdraw their Bid before the notified last date and time of Bid submission.

3.22 Bid validity

3.22.1 The bids shall remain valid for 180 days after the date of opening of bids. A bid valid for a shorter period shall be rejected as non-responsive.

3.22.2 A bidder accepting the request of BNCC for an extension to the period of bid validity, in exceptional circumstances, will not be permitted to modify their bid.

BID OPENING AND EVALUATION

3.23 Opening of Bids

3.23.1 BNCC will open online the First Covers of all the Bidders received through e-procurement portal, in the presence of the Bidders or their authorized representatives on the date, time and the place specified in the e-procurement portal. In the event of the specified date of Tender opening being declared a holiday for the BNCC, the Tenders will be opened at the appointed time and location on the next working day.

3.23.2 BNCC shall inform the bidders on the Second Cover Tender opening.

3.24 Process to be confidential

3.24.1 Information relating to the examination, clarification, evaluation, and comparison of Bids and recommendations for the award of a contract shall not be disclosed to Bidders or any other persons not officially concerned with such process until the award to the successful Bidder has been announced. Any effort by the Bidder to influence the BNCC's processing of Bids or award decisions may result in the rejection of their Bid.

3.25 Clarification of Bids

3.25.1 During evaluation of Bids, BNCC may, at their discretion, ask any Bidder for clarification of their Bids, including breakdowns of unit rates. The request for clarification and the response shall be in writing or by cable, but no change in the price or substance of the Bid shall be sought, offered, or permitted.

3.26 Preliminary Examination

3.26.1 Prior to the detailed evaluation of Bids, the BNCC will determine whether each bid; (a) has digitally signed; and; (b) is substantially responsive to the requirements of the Bid documents.

3.26.2 A bid determined as not substantially responsive will be rejected by the BNCC and may not subsequently be made responsive by correction or withdrawal of the nonconforming deviation or reservation.

3.27 Evaluation and Comparison of Bids.

3.27.1 BNCC will evaluate and compare only the bids determined to be substantially responsive.

3.27.2 If there is a discrepancy, between words and figures and amount in words shall prevail. Prior to detailed evaluation, BNCC will determine the substantial responsiveness of each bid to the bid documents. A substantially responsive bid is one, which conforms to all the terms and conditions of bid documents without any material deviation. A bid determined as non-responsive will be rejected by BNCC.

3.28 Contacting BNCC

3.28.1 No bidder shall contact BNCC on any matter relating to its bid, from the time of bid opening to the time the contract is awarded.

3.28.2 Any effort by a bidder to influence BNCC in bid evaluation, bid comparison or contract award decisions may result in rejection of the bidders bid.

3.28.3 A pre-bid meeting shall be conducted with the bidders on Specified date as per the Tender Notification.

AWARD OF CONTRACT

3.29 Duration / Period of Contract

The contract will be awarded for 03 months (90 days)

3.30 Award of Contract

BNCC shall consider placement of letter of Acceptance to those bidders (in duplicate) whose offers have been found acceptable. The bidders shall return one copy of the LOA in token of their acceptance along with the performance security and as per format shown in bid document within three days.

3.31 BNCC reserves right to vary quantities at time of award

BNCC reserve the right at the time of award of contract to increase or decrease up to 25% of the required quantity of services specified in the schedule of requirements without any change in charges.

3.34 BNCC reserves right to accept any bid and to reject any or all bids

BNCC shall not be bound to accept the lowest or any tender and reserves to itself the right to accept or reject any bid or to accept whole or a portion of tender, as it may deem fit, without assigning any reason thereof and without incurring any liability to the affected bidder(s) for the action of BNCC.

3.35 Performance Security

3.35.1 The successful bidder shall be required to deposit performance security deposit as per letter of acceptance.

3.35.2 Performance Security shall be submitted in the form of demand draft issued by a Nationalized Bank other than co-op banks /unconditional Bank Guarantee in the Performa of the bid document. The performance security does not bear or earn any interest.

3.35.3 Performance Security will be discharged after completion of service provider’s performance obligations under the contract.

3.35.4 If the service provider fails or neglects any of their obligations under the contract it shall be lawful for BNCC to forfeit either whole or any part of performance security furnished by the bidder as compensation for any loss resulting from such failure.

3.36 Signing of contract

3.36.1 Signing of Agreement shall constitute the award of contract on the bidder.

3.36.2 Upon furnishing the Performance Security by the successful bidder, BNCC shall discharge their bid security.

3.37 Annulment of Award

3.37.1 Failure of the successful bidder to comply with the requirement shall constitute sufficient ground for the annulment of the award and forfeiture of the bid security

in which event BNCC may make the award to any other bidder at the discretion of BNCC or call for new bids.

3.38 Terms of payment

3.38.1 Bidder/service provider should submit his bill for work done/service provided with all relevant documents such as EPF, ESI, GST etc., and the payment shall be made as per the norms.

3.39 Termination of Contract

3.39.1 In case of any default by the service provider and in any of the terms & conditions (whether General, special statutory), BNCC may without prejudice to any other right/ remedy which shall have accrued or shall accrue thereafter, terminate the contract, in whole or in part, by giving one months notice in writing to the service provider.

3.39.2 All instructions, notice and communications etc., under the contract given in writing and if sent to the last known place of business, shall be deemed to be served on the date, even in ordinary course of post these would have been delivered to the service provider.

3.39.3 Notwithstanding anything contained herein BNCC also reserves the right to terminate the contract at any time or stage during the period of contract, by giving one month notice in writing without assigning any reason and without incurring any financial liability whatsoever to the service provider.

3.40 Termination for Insolvency

3.40.1 BNCC may also give in writing notice and without compensation to the service provider terminate the contract if the service provider becomes unwilling, bankrupt or otherwise insolvent without affecting its right of action or remedy as hirer.

3.41 Insurance

3.41.1 The insurance cover protecting the agency against all claims applicable under the workmen’s compensation ACT 1948 and other statutory laws shall be taken by the service provider. The service provider shall arrange necessary insurance cover for any person deployed by him

even for short duration. In the event of any liability / claim failing on BNCC the same shall be reimbursed / indemnified by the service provider.

3.42 Prices

3.42.1 The rates should be on monthly basis. The rate quoted will be inclusive of all components and applicable Taxes.

3.42.2 Monthly hire charge includes **vehicle + fuel + driver + 4 helpers + vehicle maintenance + taxes** etc complete.

3.42.3 Minimum per vehicle per month of **Rs.2,05,000.00** should quoted, less than that the bid will be rejected.

3.45 Price revision

3.45.1 No escalation is admissible on any account what-so-ever during the contract period

3.46 Force Majeure

3.46.1 If any time, during the continuance of this contract, the performance in whole or in part by either party of any obligation under this contract is prevented or delayed by reason of any war, or hostility, acts of the public enemy, civil commotion, sabotage, fire, floods, explosions, epidemics, quarantine restrictions, strikes, lockouts or act of God (Hereinafter referred to as events) provided notices of happenings, of any such eventuality is given by either part to the other within 21 days from the date of occurrence thereof, neither party shall by reason of such event be entitled to terminate this contract nor shall either party have any claim for damages against the other in respect of such on performance or delay in performance under the contract shall be resumed as soon as practicable after which an event may come to an end or cease to exist, and the decision of BNCC as to whether the supplies have been so resumed or not shall be final and conclusive, provided further that if the performance in whole or part of any obligation under this contract is prevented or delayed by reason of any such even for a period exceeding 60 days either part may, at their option terminate the contract.

3.47 Arbitration

NIL

3.48 Set off (Recovery of Sum Due)

3.48.1 Any sum of money due and payable to the Service Provider (including security deposit refundable to him) under this contract may be appropriated by BNCC and set off the same against any claim of BNCC for payment of a sum of money arising out of this contract or under any other contract made by Service Provider with BNCC.

3.48.2 In the event said security deposit/ performance guarantee being insufficient the balance of total amount recoverable, as the case may be shall be deducted from any sum of due to the Service Provider under this or any other contract with BNCC should this amount be insufficient to cover the said full amount recoverable, the Service Provider shall pay to BNCC on demand the balance amount, if any, due to BNCC within 30 days of the demand by BNCC.

3.48.3 If any amount due to the company is so set off against the said security deposit, the service provider shall have to make good, the said amount so set off to bring the security deposit to the original value immediately by not later than 10 days.

TECHNICAL SPECIFICATION OF TOWING VEHICLES

Quantity – 2 Nos

1. Six Wheeler Towing vehicle with Chassis of 11 Ft x 6 Ft.
2. Tow away truck with power steering / mechanical.
3. Capable of towing cars of all wheel size by hydraulic lifting.
4. Lifting cars upto 3 tons.
5. Lifting height should be adequate to suitably tow the vehicle.
6. Tow rating 6250lbs.
7. Self loading wheel lift.
8. Hydraulic technology for both front tires.
9. Safety belt, rear strip, ratchet and strap combo, wrap around axle, spacer blocks.
10. Provision for Toolbox, First aid box, Backside seating provision, public announcement system with siren, Headlamp, cones and chains, reflectors.

Camera Specifications:

Dome Sensor unit for surveillance indoors, outdoors and in vehicles. Easy to install, vandal resistant recessed dome sensor unit for discreet surveillance indoors, outdoors and in vehicles. The rugged sensor unit should withstand dust, rain, snow, vibration, shock and impact provides a 1080p resolution and a wide 110° horizontal field of view.

It enables WDR- Forensic capture, ideal for scenes with very bright and dark areas comes with a 12m(39ft) pre mounted cable for connection to a main unit. A rotation tool to be supplied for leveling the image.

Camera Specification

a. Image Sensor ½.8” (effective) progressive scan RGB CMOS
b. Lens 2.8mm, F2.0

With F34/F41/F44, 1080p
Horizontal angle of view: 110°
Vertical angle of view: 61°
With F34/F44, 720p
Horizontal angle of view: 71°
Vertical angle of view: 40°

c. Resolution Max. 1920x1200/1080
d. Wide dynamic range, WDR- Forensic Capture

With F41:1080p, 25/30 fps (50/60 Hz)
With F44: 720p, 12.5/15 fps (50/60Hz)

e. Minimum Illumination, Color: 0.3 lux
f. Shutter time:

HDTV 1080p 25/30/50/60 fps: 1/143000s to 2s WUXGA (1920x1200)
25/30 fps: 1/143000s to 2s
With F34/F44:
1080p 12.5/15 fps: 1/22500s to 2s HDTV 720p 25/30
Fps: 1/28000s to 2s

g. Frame rate Max. 50/60 fps (50/60 Hz)
h. Camera angle adjustment

Tilt: 120°, Rotation: 90°

i. General

Casing IK09- and IP66- rated plastic casing

j. Operating conditions, -30°C to 55°C (-22°F to 131°F)
k. Humidity 10-100% RH (condensing)
l. Storage conditions, -40°C to 65°C (-40°F to 149°F)
m. Approvals ECE R10 rev.04, EN 50121-4, IEC/EN/UL 60950-1,

IEC60068-2-1, IEC 60068-2-2, IEC 60068-2-14, IEC 62262 IK09, IEC/EN/UL 60950-22

n. Dimensions Depth:38mm (1 ½ in)

112mm (1/6 in) 12-m (39Ft) cable

o. Weight 590g (1.3lb)
p. Required hardware

F34/F41/F44 Main Unit

Main Unit for CCTV – Technical Specifications

It should support at least four sensor units for surveillance for four closely situated areas. This enables a cost effective; highly discreet solution for multi-view surveillance, allowing simultaneous streaming of 1080p or HDTV 720p videos from four different areas through one Ethernet port. Quad streaming is also supported. The unit must offers wide dynamic range

capability for handling scenes with high contrast lighting with zip stream technology, provides a more efficient video compression, enabling lower bandwidth and storage use. It has 2 SD card slots for local storage of recordings and supports power over Ethernet and 8-28v DC.

- **Video compression**, H.264 (MPEG-4 Part 10/AVC) Baseline, Main and High Profiles, Motion JPEG
- **Resolution** 1920x1080 (1080p) to 480x270, 1280x720, to 480x270
- **Wide dynamic range**, Dynamic Contrast
- **Frame rate** in 1080p: upto 12.5/15 fps (50/60Hz), In 720p: up to 25/30 fps (50/60Hz)
- **Video Streaming multiple, individually configurable streams in H.264 and motion JPEG** Zip stream technology in H.264, Controllable frame rate and bandwidth, VBR/MBR H.264 Quad view, max 1080p resolution, 25/30 fps (50/60Hz) with 720p capture mode 12.5/15 fps (50/60 Hz) with 1080p capture mode
- **Image Settings**

Compression, color, brightness, sharpness, contrast, white balance, exposure value, exposure control, exposure zones, local contract, rotation, corridor format, text and image overlay, privacy mask, mirroring of images, wide dynamic range – dynamic contrast.

- **Network, Security**

Password protection, IP address filtering, HTTPSb encryption, IEEE 802.1Xb network access control, Digest authentication, User access log, Centralized certificate Management.

- **System integration**
- **Analytics Included**, video Motion Detection Supported, cross line detection, Digital Auto tracking support for camera Application platform enabling installation of third party applications.

Public Address System with Siren: Megaphones with 30W Power output, Built in Siren

1. Voice range 600 to 800 mtrs
2. Megaphone Modes: Talk + Siren Alarm
3. Convenient Coiled-cord handheld Microphone
4. Adjustable Volume Control
5. Simple Button Control Operation
6. High powered audio reproduction
7. Wide bell diameter for extended projection
8. Ergonomic Pistol grip & lightweight Chassis
9. Battery Operated
10. Power Supply Jack: DC12V adapter connector

11. Close-to-lip speaking to avoid background noise
12. Easy for extension of wire length
